ORAL ANSWERS TO QUESTIONS

Cooperation of Bangladesh in the investigation into Hyderabad twin blasts

*81. SHRI VIJAY J. DARDA:††

SHRIMATI SHOBHANA BHARTIA:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether it is a fact that 2-day Home Secretary level talks between India and Bangladesh

---

††The question was actually asked on the floor of the House by Shri Vijay J. Darda.

held in the month of August, 2007 agreed to take swift action on actionable intelligence on insurgents and fugitives to be shared between law enforcement agencies of the two countries;

(b) if so, whether Government has sought the cooperation of Bangladesh in the investigation on the 25th August Hyderabad twin blasts wherein Bangladeshis have been held responsible;

(c) whether those held responsible have been handed over to India; and

(d) the steps, Bangladesh has taken to check the infiltration of Bangladeshis into this country?

THE MINISTER OF HOME AFFAIRS (SHRI SHIVRAJ V. PATIL): (a) to (d) A Statement is laid on the Table of the House.

Statement

(a) In the Home Secretary level talks between India and Bangladesh held in New Delhi on 2nd-3rd August, 2007, both sides, *interalia,* agreed to initiate swift action on information received about groups and elements and other fugitives from the law of either country taking shelter in the other country.

(b) and (c) The case of twin blast at Hyderabad on 25-08-2007 is still under investigation by the State Police.

(d) The issue of illegal infiltration from Bangladesh into the country has been taken up by the Government with the Government of Bangladesh at various fora. The Government has no inputs about the steps taken by the Government of Bangladesh to check the infiltration of Bangladeshis into the country.

SHRI VIJAY J. DARDA: Sir, the hon. Minister has given the reply but I am not satisfied with that. What action has the Government taken during the year 2007 to pursue with the Government of Bangladesh of the closure of training camps in its territory which have been imparting training to insurgents and *jihadis* and what has been the result of such an interaction in the reduction of the number of militants' camps in the last ten months?

SHRI SHIVRAJ V. PATIL: Sir, we are dealing with a foreign country and we have a mechanism for discussing such issues with Bangladesh. The issues are discussed at three levels. One level is that of the DGs, the Director Generals of Police; the second level is that of the Joint Secretaries and the third level is that of the Secretary in the Home Department here and the Interior Ministry over there. They have been discussing these issues. But the reply we get from them is that there are no insurgents or terrorists having their camps over there and that if those facts are brought to their notice, they will take action. We have been exchanging information between the Governments, giving information about the camps and yet, unfortunately, it has not been possible to see that some effective action is taken. What we get is the denial. We are in the process of discussing these matters at higher levels also. At the Home Ministers' level this matter has been discussed; at the External Affairs Ministers' level, this matter has been discussed; at the Prime Minister's level also, this matter has been discussed,

श्री विजय जे. दर्डा : सभापति महोदय, आतंकवाद को रोकने के लिए सार्क स्तर पर क्या कार्यवाही हुई हैं, इसके बारे में माननीय मंत्री जी ने अपने उत्तर में कहा है कि उनको बंगला देश के द्वारा उठाए गए कदमों की जानकारी नहीं हैं । इसका मतलब यह है कि दोनों देशों के बीच संवाद की स्थिति ठीक नहीं हैं और इसे सुधारने के लिए तथा सूचनाओं के आदान-प्रदान के लिए आपने क्या किया हैं ?

श्री शिवराज वी.पाटिल : श्रीमन, युनाईटेड नेशंस में इसके ऊपर चर्चा हुई है और उन्होनें कहा है कि terrorism को रोकने के लिए किस प्रकार के कदम उठाएं जाने हैं । उनको जो डिसीजन हैं, उसके ऊपर सार्क कंट्रीज में भी चर्चा होती हैं और सार्क कंट्रीज के होम-मिनिस्टर्स की कान्फ्रेंस परसों हुई हैं, उसके अंदर भी चर्चा हुई है और उसमें यह कहा गया है कि अगर हमारे पास कुछ इन्फारॅमेंशन हैं, तो हम उनको देंगे और अगर उनके पास कुछ इन्फारॅमेंशन हैं, तो वे हमको देंगे । दूसरा जो स्टेप उसके संबंध में उठाया जाता है, वह यह है

कि mutual legal assistance treaty हम दूसरे कंट्रीज के साथ sign करते हैं । इसे treaty के मुताबिक किसी को arrest करना है तो किस प्रकार से किया जा सकता हैं, किसी को उधर भेजा जाना है तो किस प्रकार भेजा जा सकता है, इस पर भी चर्चा हो जाती हैं । तीसरा है extradition treaty. ये दोनों ट्रिटी – Legal Mutual Assitance Treaty और Extradition Treaty जो हैं, इस संबध में हमने दूसरे देशों के साथ बहुत बातचीत की हैं और उस पर sign भी किया है, मगर बांग्लादेश के साथ अभी तक हम sign नहीं कर सके हैं । हमने documents उनके पास भेजे हैं, वह विचार कर रहे हैं और वह कह रहे हैं कि हम विचार करके इसके अंदर जो कदम उठा सकते हैं, वह उठाएंगे ।

SHRIMATI SHOBHANA BHARTIA: Sir, the Home Minister said in his reply that at the Home Secretary level talks between India and Bangladesh both sides agreed to initiate swift action on information received about militant groups. So, I would like to ask the Minister, Sir, whether it is true that the investigators have come across links between the blasts in Hyderabad this year and the organisations in Bangladesh and had sought the assistance of their counterparts in tracking down the origin of the phone calls in the neighbouring country; also, whether it is true that the Home Ministry had received information from security agencies about the detention of Mohammad Hamza, a key functionary of HUJI and prime suspect in the blast case and whether response has been received from Bangladesh to the Interpol notice for Hamza.

SHRI SHIVRAJ V. PATIL: Sir, we have been discussing this matter with Bangladesh. As far as Interpol notice is concerned, there is an international agreement and we follow that international agreement and it is expected that the States, the Governments of the different countries do help them. We are in the process of investigating into the matters relating to the incidents in Hyderabad. It will be premature, at this stage, to disclose the information because disclosure of the information, at mis stage, will affect the case. We do have some clues and we are following those clues. We have given the information relating to those to our neighbouring States and we hope that we will get the assistance and cooperation.

डा. मुरली मनोहर जोशी : श्रीमन् यह बहुत महत्वपूर्ण प्रश्न है, लेकिन जो कुछ उसके उत्तर आए हैं वे समाधानकारक नही प्रतीत होते हैं ।मैं आपसे यह जानना चाहूंगा कि कितने लोग विशेषकर बांग्लादेशी, भारतीय कानूनों से बचने के लिए दूसरे देशों में भागे हुए हैं और कितने बांग्लादेश के लोग वहां के कानूनों से बचने के लिए यहां आए हुए हैं ? क्या उनकी संख्या या उसके बारे में कुछ जानकारी देंगे और सरकार इसके बारे में क्या कदम उठा रही हैं ? दूसरी बात यह है कि बांगलादेशी की सरकार वहां से घुसपैठ रोकने के लिए कुछ नहीं कर रही है, लेकिन भारत की सरकार उसके घुसपैठ को रोकने के लिए क्या कर रही है, क्योंकि घुसपैठ तो है यह आपने स्वीकार किया है ? साथ ही साथ इन घुसपैठियों की संख्या भारत में अनुमानित कितनी है और इनमें आतंकवाद के बारे में, उसमें भागीदारी करने के बारे में इनका क्या भूमिका है ?

श्री शिवराज वी.पाटिल : श्रीमान् बहुत सारा statisties मांगा गया है,उसके बारे में लिखित रूप से जितना दे सकता हूं, उनको दे दूंगा । अगर यह पूछा गया कि बांगलादेश से कितने लोग यहां पर आए और वापस नहीं गए तो उसकी संख्या आसानी से दी जा सकती हैं, यह पूछा गया कि कितने लोगों के खिलाफ हमने cases किए तो उसकी संख्या दी जा सकती हैं, मगर यह पूछा गया कि कितने लोग यहां पर आएं हुए हैं तो उसकी संख्या निश्चित रूप से देना मुश्किल हो जाता है । अगर मैनें एक आंकड़ा दे दिया तो दूसरा आंकड़ा सामने आएगा और उसके ऊपर चर्चा होगी, तो भी जितनी भी उसके बारे में मालूमात हैं, मैं आप तक पहुंचा दूंगा । हमारी सरकार ने घुसपैठ को रोकने के लिए क्या किया है ? आपने यह बहुत ही अच्छा प्रश्न पूछा हैं । इसके बारे में आपको भी जानकारी है कि हमने बंगलादेश की जो सरहद हैं, भारत और बांगलादेश की जो सरहद हैं,उसके ऊपर बाड़ लगाने, fence लगाने का काम शुरू किया है और वह काम बहुत तेजी से किया गया,और उसकी वजह से यहां पर आने वाले लोगों की संख्या भी बहुत कम हो गई हैं । इसके संबध में मैं यह बताना चाहता हूं कि हमारी जो नदियां हैं, जो छोटी-छोटी

नदियां हैं, जो वहां पर समुद्र में जाकर मिलती हैं, जिसकी वजह से नदी के पात्र में बाड़ लगाना बड़ा मुश्किल हो जाता है। अगर हमने वहां बाड़ लगा दी तो गिर जाती हैं या बह जाती हैं, इसके संबध में भी करना हैं। तो हमने फ्लोटिंग बी.जे.पी. उसके अदंर लगाए हैं और वह कर रहें हैं। हमने यह भी उनको कहा है कि अगर आप चाहें तो आपको भी हम फ्लोटिंग बी.ओ.पी. दे देंगे और उसकी मदद से अपना काम कर सकेगें।

तीसरी बात है कि जब भी कभी मालूम हो जाता है कि किसी को पकड़ा गया है, तो उसके लिए उसको हल करने के लिए उस पर कार्यवाही करने के लिए बॉडर पर जो पुलिस हैं, वह एक दूसरे से बात करती हैं। इस प्रकार से अन्य प्रकार के कदम इस संबध में उठाएं गए हैं और उसके मुताबिक काम करने की कोशिश की गई हैं। एक बात का ध्यान हमें रखना है हमारा संबंध परदेश से है। वे क्या कहना चाहते हैं, उनकी नीति के मुताबिक वे कहते हैं और पूरे तरीके से हमारा समाधान होता है, ऐसा नहीं कहा जा सकता, मगर इसके बावजूद भी हमारी कोशिश होती हैं कि जितना समाधान हो सके, वह हम कर सकें। उन पर निर्भर नहीं होते हुए अपनी सुरक्षा करने के लिए हम क्या कर सकते हैं, वह हम करते हैं। तो हमने बाड़ का काम पूरा कर दिया है, उसके पास से सडक बनाई हैं, इलेक्ट्रानिक्स gadgets उसके ऊपर लगाएं हैं और उसके ऊपर पैट्रोलिंग बढ़ाई हैं, जो पोस्ट्स हैं, उसमें जो अंतर हैं, उसको कम करने की कोशिश हमने की हैं। ...(**व्यवधान**)...

डा. मुरली मनोहर जोशी : सर, इस प्रश्न का उत्तर रह गया है कि जो बांगलादेशी यहां मौजूद हैं, इस देश में आतंकवाद को फैलाने में, उसको बढ़ाने में क्या उनकी कोई भूमिका हैं ? अगर है तो सरकार क्या कर रही हैं ? ...(**व्यवधान**)...

श्री विनय कटियार : मंत्री जी को इतना भी नहीं मालूम हैं कि बांग्लादेश ...(**व्यवधान**)...

श्री सभापति : प्लीज़ ...प्लीज़ ...(**व्यवधान**)... Let us follow an order... (Interruptions)...

श्री विनय कटियार : सरकार को यह जानकारी नहीं हैं कि कितने विदेशी लोग ...(**व्यवधान**)... CHAIRMAN: Let the hon. Minister respond. ...*(Interruptions)*...

श्री विनय कटियार : मैं आपका संरक्षण चाहूंगा ...(**व्यवधान**)...

MR. CHAIRMAN: Let the hon. Minister respond. ...*(Interruptions)*...

श्री विनय कटियार : आप यह बताइए कि कितने बांगलादेशियों ने घुसपैठ की हैं ?

श्री शिवराज वी. पाटिल :सर, यह इतना लंबा प्रश्न हो गया है कि आपने जो प्रश्न पूछा था, मैं थोड़ा भूल गया हूं, आप रिपीट कर दीजिए।

डा. मुरली मनोहर जोशी : मैनें कहा था कि बांगलादेशी, भारत में हैं, यह आपने स्वीकार किया हैं, घुसपैठिए हैं, वैधानिक रूप से नहीं हैं, भारत में आतंकवाद है और ऐसे समाचार है कि बांगलादेश से भारत में आंतकवाद प्रसारित किया जा रहा है। तो जो बांग्लादेशी घुसपैठिए यहां मौजूद है, वे हमारे हैं, वे हमारे देश में आतंकवाद को फैलाने में कोई भूमिका निभा रहे हैं और अगर उनकी कोई भूमिका हैं, तो सरकार उसको रोकने के लिए क्या कर रही है ?

श्री शिवराज वी.पाटिल : श्रीमन्, यह बात ऐसी है कि हम कह दें कि वहां से आएं हुए सारे के सारे लोग आतंकवाद में लगे हैं, तो यह कहना भी मुश्किल हो जाएगा, अगर मैं कह दूं कि वहां से आने वालों में आतंकवाद करने वाला कोई नहीं हैं,तो यह कहना भी मुश्किल हो जाएगा, मगर इतनी बात मैं जिम्मेदारी से कहना चाहूंगा कि उनमें कुछ लोग हैं, जिनके नाम हमको मालूम है, उनके नाम हमने उनको दिए हैं, उनकी तरफ से भी कभी-कभी इन लोगों के बारे में कहा जाता है कि ये लोग हमारे पास नहीं हैं ...(**व्यवधान**)... तो पूरे तरीके से मै यह नहीं कहता कि वहां से आने वालें लोगों में कोई आतंकवाद करने वाले लोग नहीं हैं या वहां से आने वाले सभी लोग आतंकवादी है।

SHRI RAVULA CHANDRA SEKAR REDDY: Sir, in the twin blasts in Hyderabad, Gokul Chat and Lumbini Park, 44 people died on that night and 54 persons injured. This has

happened on 25th August, 2007. Prior to this incident, there was a blast in the historic Mecca Masjid wherein 14 people had died. During that time also, it was mentioned by the Government of India that they are investigating into the case and investigating into the connections with Bangladesh and all those things. Prior to that also, there was another incident for which a task force headed by DCP was formed. In 2007, there was three blasts in Hyderabad.

MR. CHAIRMAN: What is the question?

SHRI RAVULA CHANDRA SEKAR REDDY: Sir, I am coming to that. The question arises out of the answer given by the hon. Home Minister wherein he had said that the case of twin blasts was still under investigation by the State police. The hon. Home Minister having visited Hyderabad had assured people that Government of India would take all steps in protecting lives and properties of the people of Hyderabad. According to the answer given here, the State police is investigating the case. He had assured an ex-gratia payment and rehabilitation for the victims of that night. I would like to know what action is taken by the Government of India and the steps taken by both the Governments in paying the ex-gratia and in rehabilitation and creating confidence among the people of Hyderabad. Once, Hyderabad was looked at by everybody and now people are afraid of even looking at it. This is the state of affairs.

The Government of India and the Government of Andhra Pradesh have failed miserably in protecting the lives and properties of the people.

SHRI SHIVRAJ V PATIL: Sir, it has to be realised that there are three lists which are provided under the Constitution of India. The first subject which is mentioned in the State List is law and order. The subjects mentioned in the State List are exclusively within the jurisdiction of the State Governments. ...*(Interruptions)*...

SHRI RAVULA CHANDRA SEKAR REDDY: But what is the answer? ....*(Interruptions)*...

MR. CHAIRMAN: Let the hon. Minister complete ...*(Interruptions)*... Let the hon. Minister complete ...*(Interruptions)*...*Mr.* Reddy, please. ...*(Interruptions)*... May I request the hon. Members to allow the proceedings to continue? ...*(Interruptions)*...

SHRI SHIVRAJ V. PATIL: It has to be realised that investigation in such matters is done by the State police ...*(Interruptions)*...

SHRI RAVULA CHANDRA SEKAR REDDY: When they are investigating the role of Bangladeshis ...*(Interruptions)*...

MR. CHAIRMAN: Please ...*(Interruptions)*...

SHRI SHIVRAJ V. PATIL: If we go to every State then there will be no exception. It may be one State or another State and we will investigate. ...*(Interruptions)*... That is what I want to add. ...*(Interruptions)*... I will reply to all the points raised. ...*(Interruptions)*...

श्री विनय कटियार : क्या आतंकवाद केवल राज्यों का विषय हैं ? **...(व्यवधान)...** हम जानना चाहते हैं कि क्या आतंकवाद केवल राज्यों का विषय हैं ? क्या केन्द्र की इसमें कोई भूमिका नहीं हैं ? **...(व्यवधान)...**

MR. CHAIRMAN: Please do not interrupt ...*(Interruptions)*... Please allow the hon. Minister to complete.

SHRI SHIVRAJ V PATIL: Sir, it has to be realised that when the incidents take place, whatever assistance can be given by the Government of India it is given. If the State police is not having expertise to investigate into the kind of explosives that are used, that kind of assistance is given by us. Then with regard to giving assistance to the people who are the victims, we have a scheme and

under that scheme a certain amount of money is give n to them. We call it SRE, Security-related Expenditure. A person who has died, a person who has been the victim, is given a certain amount of money. If a person has died, Rs. 3 lakhs are given. Other things are also given.

श्री रूद्रनारायण पाणि : यह पैसे का सवाल नहीं है। **...(व्यवधान)...**

SHRI SHIVRAJ V. PATIL: Please allow me to speak. ...*(Interruptions)*... I was asked what kind of assistance has been given by the Government of India. I am just explaining what kind of assistance is given. ...*(Interruptions)*... When I had the discussion with the Chief Minister and others, — I was discussing this matter — and I was saying, "Look, if the number of people living in your State is increasing, if the money you are spending on the developmental activities is increasing, if the equipments which are used for development as well as for causing some crimes are used by the people, it becomes necessary for the State Government to increase the strength of the police. And not only that, increase the strength of the investigating agencies, increase the strength of the CID also." I am very happy to inform you, Sir, when this discussion took place, the Chief Minister was in a position to tell me that they are going to have 38,000 more men and officers recruited than what they have now. We have said, "We will be giving you the training facilities for that purpose." RAF Battalions have been given to them. This is the information, which is given. Now, there is a federal structure or a unitary structure in the Constitution and if the former Law Minister asks me question on these points, I will be happy to reply according to my understanding. But you cannot create confusion just by adding questions in between and then saying that this is not the Constitutional position. ...*(Interruptions)*...

SHRI PENUMALLI MADHU: Sir, a number of bomb blasts have taken place in the State of Andhra Pradesh in the recent period. It is causing great agony among the masses. The security of life of the people in Hyderabad is very much threatened, that is the feeling ...*(Interruptions)*... Now, my question to the hon. Minister is this. When the people are losing their confidence, when terrorist activities are taking place, when bomb blasts are taking place, the reply of the Minister says that 'no information is received with regard to the terrorist groups and elements'. They are still investigating; the State Government is still doing investigation. There are no results and there is no identification of terrorists. He says, No clue has been found.' Regarding illegal infiltration, it is stated that there is no clue. So, if this is the state of affairs, how is the Government of India going to provide security and how is it going to contain terrorist activities? That is my question.

MR. CHAIRMAN: Please put your question.

SHRI PENUMALLI MADHU: Is it not a failure on the part of the Government with regard to investigation? Investigation has totally failed. Is it not a fact that intelligence in Andhra Pradesh.is totally...

MR. CHAIRMAN: We are not having a discussion here. Please put your question. ... *(Interruptions)*...

SHRI SHIVRAJ V. PATIL: As far as the role of the Central Government is concerned, if the hon. Member had been kind enough to pay attention to my statement, he would have understood what kind of role can be played by the Central Government in matters of this nature. I would like to inform the hon. Member and this august House that crime, violence, terrorism in Andhra Pradesh has come down by 60 per cent. ...*(Interruptions)*...

SHRI RAVULA CHANDRA SEKAR REDDY: In 2007 alone, we witnessed three incidents. Sir, they do not register FIRs.

MR. CHAIRMAN: Please, let the hon. Minister complete. ...*(Interruptions)*...

SHRI SHIVRAJ V. PATIL: As far as this is concerned, I would like to inform the hon. Member that we had the information regarding these incidents, we had passed on the information, but I have been saying on the floor of the House repeatedly that when the information is available and it is passed on, unfortunately, we do not have the information as to the time when it would happen. As to the place, it can be done. That is why the actionable information has to be collected by the local intelligence agencies and that is why we have asked the State Governments to strengthen their local intelligence agencies. But, as far as the national intelligence agencies were concerned, they did have the information; they did pass it on to the State Government; the State Government tried their best, but, unfortunately, it was not possible for them to find out the place and the time when it could be done.

MR. CHAIRMAN: Question No. 82. Please sit down. All admitted questions have equal value. ...*(Interruptions)*... I would like the hon. Member to allow the proceedings to continue. ...*(Interruptions)*... Would you kindly proceed? Hon. Members may kindly sit down. ...*(Interruptions)*... Please allow the Member to put a question.

SHRI SHAHID SIDDIQUI: I want to put a question. How many people ...*(Interruptions)*...

Joint strategy for countering threats from various militant groups

*82 SHRIMATI SHOBHANA BHARTIA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether it is a fact that a 3-day annual conference of Director-Generals and Inspector-Generals of Police, organized by the Intelligence Bureau was held in the month of October, 2007 to discuss a joint strategy with police chiefs from all States, para-military forces and security agencies on countering threats from various militant groups;

(b) whether top officials have sought a policy for close monitoring of procedures for providing security to various persons;

(c) if so, the outcome of the conference held; and

(d) the concrete steps being taken to meet the threat of terrorists in various States?

THE MINISTER OF HOME AFFAIRS (SHRI SHIVRAJ V. PATIL): (a) to (d) A Statement is laid on the Table of the House.

Statement

(a) Yes, Sir. The Annual Conference of Directors General of Police/Inspectors General of Police of States/UTs and Heads of Central Police Organizations was held from October 3 to 5, 2007 in New Delhi.

(b) The issue of VVIP Security was also discussed in the Conference.

(c) This Conference is held every year to deliberate on new challenge, exchange ideas on best practices and formulate strategies and measures to strengthen various aspects of management of internal security.

(d) The Government reamins fully committed to combating the menace of terrorism. The policy of the Government is to counter the challenge posed by terrorism by way of a multi-pronged strategy. In pursuance of this strategy, the Government has taken various measures on political, legal, security and development fronts. The Government is willing to talk to all those groups who agree to abjure violence and surrender arms within the framework of the Indian Constitution. The Unlawful Activities (Prevention) Act, 1967 as amended in September, 2004 has the necessary provision to deal with various aspects of terrorism. On the security front, the counter terrorism measures include effective border management to check infiltration across the borders, deployment of Central Forces to aid the State Police Forces in areas prone to terrorist violence, heightened vigil and security arrangements in vulnerable areas and around vital installations, strengthening of intelligence gathering and sharing capabilities, particularly at the cutting edge level, augmentation and modernization of police forces and raising of India Reserve Battalions ensuring improved technology, weaponry and equipment with the Central and State Police Forces and steps taken to achieve bilateral and multi-lateral cooperation to deal with the global imperatives of terrorism.

SHRI SHIVRAJ V. PATIL: Sir, some of the hon. Members had expressed some apprehensions about investigations and all those things. That is also being looked into. When it is taken up, we will discuss it. The Government is willing to participate in the discussion at any time, in accordance with your directions.

As far as reply to Question No. 82 is concerned, a statement is laid on the Table of the House.
